

Thank you for purchasing our equipment. Please read this manual carefully and heed the safety warnings and instructions before using or repairing the equipment. This will ensure not only the protection of persons, but also the long life of the equipment.

## TECHNICAL PARAMETERS

Accumulator	Li-Ion 3,7V 500mAh
Luminosity	100lm
Illumination time	min. 1,5h / max. 3h
Charging time	approx. 3 hours (when using a 5V/1A USB adapter)
Coverage	IP44
Lighting modes	white 30%-50%-100%, red:100%, flashing

## CHARGE

Open the rubber cover of the USB-C charging port and plug the device into a USB socket on your computer or USB charging adapter. The red LED light will illuminate when charging. Once the device is fully charged, the light will turn green.

The flashlight has a non-contact switching infrared sensor, which you turn on with the button . After the green light comes on, you can move your hand (about 5cm) in front of the flashlight to turn the device on and off.

## LIGHTING MODES

- Toggle the button  on the top of the flashlight.

## WARNING

- Make sure that the charging voltage matches the specifications.
- Do not attempt to charge the light in a damp or wet environment.
- Do not disassemble or repair the equipment, or expose it to extreme temperatures or open flames.
- Do not leave the luminaire connected to the mains for an extended period of time after it has reached full charge, as overcharging can reduce battery life.
- Store the flashlight in a cool, dry place away from direct sunlight or extreme temperatures.

The light source of this luminaire is non-replaceable, at the end of its service life the entire luminaire must be replaced and disposed of in a designated place. This product contains a light source that for design reasons cannot be removed for verification and therefore the entire product is considered a light source. The power cord cannot be replaced if damaged, the unit must no longer be used.

The product has been issued with a CE declaration of conformity in accordance with the applicable regulations.
