

Dear customer, thank you for purchasing our product. Please read the following instructions carefully and follow them to ensure safe and satisfactory use. This will prevent misuse or damage. Avoid improper handling of this device and always follow the principles of using electrical appliances. Keep the instructions for use in a safe place.

TECHNICAL PARAMETERS

Power input	3× 3W
Power supply input	AC 220–240V
Power supply output	DC 24V 1A
LED lifetime	30.000 h
IP rating	IP20
Color temperature	4100K (neutral white)

INSTALLATION

Light connection

1. Insert the connector from the power supply into the socket on the controller cable
2. Plug the controller cable connector into the socket behind the light strip
3. Select either the cable or connector to connect another light strip
4. Repeat step 3 to connect all parts
5. An extension cable can be used if necessary

Note: The switch can be used to increase or decrease the brightness.

LIGHT FITTING INSTALLATION

Method 1:

The light has built-in magnets on the back, allowing it to adhere to any iron surface on the wall.

Method 2:

Attach metal clips to the wall with screws and then press the light fixture into the clips.

Method 3:

After connecting the light fixture, secure it with adhesive clips.

WARNING

- Do not expose the light fixture to outdoor conditions, direct rain, or submerge it in water. The light fixture is intended for indoor use.
- Wipe the light fixture regularly with a dry or damp cloth only when it is disconnected from the mains.

The light source of this luminaire is non-replaceable. At the end of its service life, the entire luminaire must be replaced and disposed of at a designated location. This product contains a light source that cannot be removed for verification for design reasons, and therefore the entire product is considered a light source. The power cord cannot be replaced. If it is damaged, the device must no longer be used.

The product has been issued with a CE declaration of conformity in accordance with the applicable regulations.
